Scitec Nutrition 100% Whey Isolate 2000 g

Order number: 7412
70.00 €

100% Whey isolate has been developed with two main objectives:

To provide the highest protein content of the product.

And seasonings to choose a protein that provides the largest and fastest flow amno-acids circulation, thereby maximize the anabolic process of protein synthesis.

100% Whey isolate is low in lactose, fat and carbohydrates. It is easy to prepare, because the spoon is suspended only and is not necessary to use a blender or shaker.

Formulization:

Shuttle ActivePep Protein Matrix (whey isolate obtained by ion exchange, micro-ultrafiltered whey isolate, whey peptides), artificial, flavor, xanthan sweetener aspartame.
