

# Romeo & Juliet

*based on the drama by William Shakespeare*

Look at her! She is so beautiful. I fell in love with her.

She is Capulet. She is your enemy's daughter.

I'm going to arrange your meeting with Friar Lawrence.

O Romeo, Romeo, why are you Romeo? Deny your father and refuse your name, Or if you will not, be but sworn my love, And I'll no longer be a Capulet.

I pronounce you man and wife.

O, speak again, bright angel; for you are As glorious to this night, been over my head, As is a winged messenger of heaven Unto the white upturned wondering eyes Of mortals that fall back to gaze on him When he bestrides the lazy-passing clouds And sails upon the bosom of the air.

LET MY FAMILY BE!

No!! Mercutio is dead.

ARRRR !!!

Something terrible happened! Romeo killed Tybalt and he is bannished by the Prince. He has been sent to Mantua.

You must marry Paris!

No!!! I hate him.  
He is ugly!!!

You are ungrateful!!! He has huge property!

Take this sleeping draught. It will make everyone think you are dead. Romeo will then come to your tomb. And take you away. I will send a messenger to Mantua to tell him.

I'm Paris, Juliet's fiancé.

No! Juliet is my wife.

Oh my God! I hear Juliet is dead.

My life has lost sense. I want to die with you, my lover. I'll drink this poison.

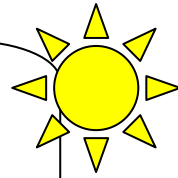

Go, get thee hence, for I will not away.  
What's here? A cup close in my true love's hand?  
Poison, I see, have been his timeless end.  
O churl!- Drunk all, and left no friendly drop  
To help me after? I will kiss your lips.  
Hoply some poison yet doth hang on them,  
To make me die with a restorative.
